

DERBYSHIRE COUNTY COUNCIL

User Evidence Form for Claimed Public Right of Way

Please read the following notes before completing this form:

- The Council is required by Part III of the Wildlife & Countryside Act 1981 to keep a record of public rights of way in Derbyshire (“the Definitive Map”) and a legal duty to determine applications to modify the Definitive Map and Statement (DMMO applications).
- This form is designed for use by anyone who has personal knowledge about public use of (1) any route in Derbyshire for which a public right of way is not recorded, but is claimed to exist, or (2) any route for which a public right of way is claimed to be recorded incorrectly (e.g. in terms of the type of right of way shown, or the position).
- We are committed to protecting your personal data and ensuring that it is processed fairly and lawfully. Information you provide to us will be processed in accordance with the General Data Protection Regulations, The Data Protection Act 2018 and subsequent legislation. The basis on which the County Council processes your information is in accordance with the legal obligation under the Wildlife and Countryside Act 1981.
- In some cases the Council is required by law to allow other persons to have access to completed forms and other documents relating to a Definitive Map claim. Therefore, if you provide personal information (e.g. name, address, telephone number and date of birth), either using this form, or in any other document relating to a Definitive Map claim, it could become accessible to the public. The information provided will only be processed for the purpose of determining the Definitive Map claim and for no other purpose.
- Each individual who is willing and able to give evidence should complete their own form.
- Please complete all of this form. If you know about more than one route, please use a separate form for each.
- When considering a Definitive Map claim the Council will take into account all relevant evidence available, including completed user evidence forms. If the Council makes an order to modify the Definitive Map, and the order is subject to objections, the evidence will also be examined by an Inspector on behalf of the Secretary of State. Therefore it is important that you complete the form as accurately and fully as you can. If you cannot remember any details please write that you cannot remember.
- If you have been provided with this form by someone who is preparing a Definitive Map claim, please return any completed form to them instead of directly to the Council.
