

Wobblers Easy Road Trial Saturday 1st August 2026

Permit 207865

Stop allowed observing

Observers can contact Mike (Le Griff) Griffith

Don't forget to take some insect repellent - they are really biting at this time of year.

Observers should come to start between in good time to be at their section by first man expected time.

Those observing later in the day must still collect their boards by 11am otherwise we'll panic. Thank you.

Timing is based on 5 minutes per section and plenty of time to ride steadily to the next group.

Riders could be very early by the end of the lap

Observers will be issued with a Yellow Hi-Viz vest so riders can easily recognise the person responsible at each section.

Course-2 routes . Flags Red / blue hard, white (R) yellow (L) easier route used alternative white and yellow gates

Start: Berry Bank Farm SK11 0BG off A54 past Ice-cream Farm towards Buxton 1 mile on same side

Note: Road to start is closed from Buxton end we recommend coming from Bosley lights on A523 - other options are chaos
